

CREECA Graduate Course List
Russian, East European, and Central Asian Studies
Fall 2018 (term 1192)
Revised: June 28, 2018

Please note: Courses listed here are those at or above the 300-level (which is the minimum required for a course to count towards a graduate degree). The Graduate School at UW-Madison now requires that at least 50% of credits applied toward the program's graduate degree credit requirement must be courses designed for graduate work. All courses numbered 700 and above meet this requirement. Courses numbered 300-699 that carry the designation "Grad 50% Y" also meet this requirement, since they assess graduate students separately from undergraduate students.

Courses marked with * must contain 25% or more content area in REECAS to count towards the MA program or graduate certificate; please check with the professor to verify REECAS content of the course for the fall 2017 semester before enrolling and then get final approval from the REECAS advisor.
